

# Louise Martini

May 17, 1943 - April 27, 2020

The German Shepherd Dog Club of the San Gabriel Valley, its Board of Directors, present and past members mourn the loss of one of our most loved and dedicated board members. Louise's expertise, drive and enthusiasm found her active in so many facets of our club's activities-most recently serving as our club treasurer and working toward her beloved Rainey's herding championship. Always willing to step up to the plate, offering us all her own special brand of help and encouragement, including her phenomenal hospitality, Louise has helped make our club successful in all of its endeavors. We will remember her as an integral force (often-times behind the scenes), driving us to set our goals high and work hard to achieve them.

Godspeed dear friend - your memory will remain eternally within our hearts. May you rest in peace among the angels!

Louise herding with Raven (above center) and Rainey (seated above)

*The GSDCSGV thanks Elaine Battany for her special contribution in Louise's memory*
